COMMENTS

New South Communications, Inc. ("Petitioner"), licensee of FM Station WUSJ, Jackson, Mississippi (Facility ID No. 62050), by its counsel and pursuant to Section 1.415 of the Commission's Rules, hereby submits its Comments in the above-captioned proceeding. *See Notice of Proposed Rule Making*, ("NPRM") DA 05-750, released March 23, 2005. In response to the Petition for Rule Making in this proceeding, the NPRM sought comment on the proposal for the reallocation of Channel 242C0 from Jackson to Madison, Mississippi, as that community's first local aural transmission service, and the modification of Station WUSJ(FM)'s license accordingly. The proposed reallocation will not deprive Jackson of its sole local transmission service, and will provide Madison with a first local transmission service.

The Petitioner hereby reaffirms its interest in providing a first local transmission service to Madison, Mississippi, as stated in the Petition for Rule Making, and its intention to apply for the channel, if reallocated. If the Petition for Rule Making is granted, the Petitioner will file its application for Channel 242C0 at Madison, Mississippi and will construct the facilities if its application is granted.

Respectfully submitted,
